To Whom It May Concern:

This is a recommendation for Doug Anderson whom is a very talented illusionist. I am the director of Royal Family Kids' Camps (RFKC) which is a camp for abused, abandoned and neglected children.

We have had Mr. Anderson come and entertain the children of RFKC for three years now. The talent he has for entertainment is truly gifted for all ages. He has the ability to bring in new ideas each and every time we see him as well as keeping his audience fully engaged while involving his participants and maintaining control of the crowd.

Given Mr. Andersons availability we plan on having him entertain our group each year he is able. We have so appreciated his time and talents and would recommend Mr. Anderson for any age group every time.

Sincerely,

A handwritten signature in blue ink that reads "Kelli Johnson".
