Dear Doug,

I feel compelled to write after our Sunday morning was such a success. You captured the attention of our congregation and communicated Biblical truths with absolute clarity. I was proud to have you on such an important day for the church, Father's Day. This was the first time that our attendance was higher on Father's Day than on Mother's Day. I advertised you as being a "professional entertainer with a powerful testimony" and you easily surpassed my expectations.

People who seldom smile at church were laughing continually as you entertained with magic and spoke to our hearts with your personal life history. You were so clear in your communication about God's desire for us to have a relationship with Him through His Son Jesus Christ. As a pastor, I appreciate that.

In conclusion Doug, if anyone wants someone who is funny, quick-witted, entertaining and has a powerful message, feel free to give them my number because I will highly recommend you

God Bless Your Ministry,

Pastor Bret Luallen
